SCIENCE VS. QUACKERY.—HOW IT IS POSSIBLE for intelligent persons to piace ounddones in person who claim to possass specifies for caring certain complaints or that they only can ours such diseases, and that toest such a very short time, when it is a fact, that there is a disease which requires more skill er study in order to tradit successfully? Does it not evine the greatest andersty, else the greatest ignorance, for persons uneducated to claim superior inowledge and attainments over an educated his sician! Is it not conclude, from the very presentions of she individuals, that they are quacks! Would any regular ply sician dare to claim that he only he in the more due to care certain disease—that he only pussase a specific E would either be condemned as a feel or a knave, and kicked our in the Hedical Society. Why, then, would you beliave that person without any attainments—a cobler for instance—should be capable of treating your diseases with more kill than a pivician. My study has been devoted for upward of sixteen years to a speciality of my profession. My effect the propose without any attainments—a cobler for instance—should be capable of treating your diseases with more kill than a pivician. My study has been devoted for upward of sixteen years to a speciality of my profession. My effect is 20 Dance street, between Chalasm and Centre attentions.

THE MARRIED WOMAN'S PRIVATE MEDICAL Companion.—By Dr. A. M. Mauricean, Professor of Discases of Women.—Twentieth edition, 18me. pp. 252. Price 21.—Years of suffering, of physical and metal anguish, to many an affectionate wife, and pecuniary difficulties to the husband, might have been spared by a timely possession of this work. It is intended especially for the married, or those contemplating marriage, as it disclosed important secrets, which should be known to them particapiarly.

ties to the husband, might have been spared by a simely possession of this work. It is intended expecially for the married, or those contemplating marriage, as is disclosed important secrets, which should be known to them particularly.

Here, also, every female—the wife—the mother—the end either budding into wemanhood, or the other in the dealing of years—in whom nature contemplate an important change, can discover the causes, symptoms, and the most efficient remedies, and the most sectian mode of ours, in every complaint to which her sex is subject.

(Extract of a lotter from a gentleman in Daylon, Ohio.)

Dr. A. M. MAURIGEAU, No. 129 Liberty street:—

My Dear Sir—My wife has been perceptibly sinking fed some three years or more, in consequence of her great anguish and suffering some months before and during her condimenent—every successive one more and more debilitating and prostrating her, putting her life in luminent danger, and which was, on the last occasion, despaired of. I supposed this state of things was inevitable, and resigned my-self to meet the worst. At this time, I now about two months, I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and percentional in an analysis of the meet the worst. At this time, I now about two months, I heard your book highly spoken of, as containing some matters reaching my case.
